WILLANGI Bush Escapes

*4WD &
2WD Experiences*

*Enjoy the Picturesque
Paradise Valley and
Golden Gully*

We at Willangi welcome you to the picturesque Southern Flinders Ranges, just two hours from Gawler.

What Willangi Offers

We offer you the peace and tranquility of the bush with beautiful scenery. Willangi has a variety of trails stretching through beautiful tree-covered ranges and mallee hills.

There a number of unique flora and fauna species that can be seen on Willangi, including, native grasslands, native pine, Euros, Echidnas, Eagles and Mallee Ring Necks just to name a few.

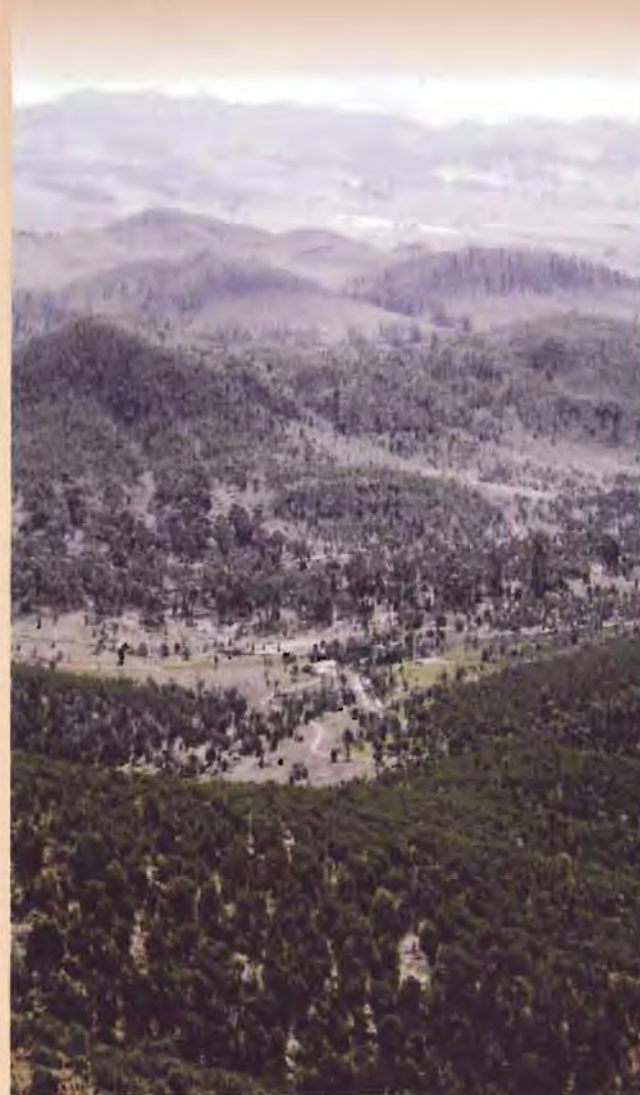

Who are we?

Willangi is a fourth generation, working grazing and cropping property 15kms North of Peterborough, featuring Paradise Valley and Golden Gully.

We currently run a cell grazing operation, which includes an extensive program of saltbush planting. We are in the early stages of trialing pastoral cropping.

Bush Camping

Campsites offered to you are situated in secluded bush and mallee areas, overlooking hills with the occasional sandy creek, all within walking distance of your camp. There are clean eco-friendly, self-biodegrading loos, a fire ring and some firewood provided at every site. (More wood can be purchased, strictly NO self service. Campfires are according to fire restrictions in our area.)

Willangi Past Times

4WD Tracks/2WD Access

At Willangi there are a number of low to medium skill, self-driving 4WD tracks with hill top views of the local district.

2WD and Caravan owners need not feel left out, you too can experience the wonders at Willangi. We also have some tracks and campsites accessible for 2WD, caravans and motorhomes.

Walking, Horse & Mountain Bike Trails

Enjoy the sounds and scenery of the bush as you walk, ride your horse or mountain bike along the numerous marked walking, horse and mountain bike trails.

Bird Watching

Quiet secluded areas well away from roads offer great areas for the avid bird watcher. (Bird list supplied)

Artist and Photographers

Artists and photographers can take advantage of the ever-changing natural scenery and enjoy the beautiful sunrise and sunsets.
